IEEE 15th International Conference “Nanomaterials: Applications & Properties” Bratislava, SLOVAKIA, Sep. 7-12, 2025

CALL FOR INVITED SPEAKER NOMINATIONS

In preparation for the **IEEE NAP-2025**, we are reaching out to you asking for recommendations regarding the possible candidates for Invited speakers (the first “Call for Paper” will be coming out soon). Nominations of female speakers, young talent, and from underrepresented groups are especially encouraged and will be given the highest priorities. The submission could be as simple as just the candidate name, email address, and topic of the talk with short justification or an abstract (or relevant recent publication) send to info@ieeenap.org or use this form: <https://cutt.ly/P2eWpTN>.

In addition, the Program Committee may also select a few contributed abstracts on late-breaking results for upgrades to invited status.

A nomination does not guarantee an invited talk. All invited speakers will be contacted directly by the Program Co-Chairs in early February 2025.

A nomination deadline – **January 01, 2025**.

Celebrate our 15th Anniversary together!
