## MARKETING & SPONSORSHIP OPPORTUNITIES @ IEEE NAP-2022

### ABOUT IEEE NAP-2022:

The IEEE NAP Conference is a prime international event held annually and devoted to the most exciting aspects of modern materials science focusing on the fundamental properties and applications of nanoscale materials. From the low power electronics and supercomputers to advanced drugs and personalized medicine, from new industrial applications and renewable energy to advanced transportation and clean air technologies, nanoscience is the foundation of many transformational discoveries in the decades to come.

Our target audience and combined email and social media distribution list include 16,000+ international members of the [IEEE Nanotechnology Council](http://www.ieee-nano.org) – researchers, engineers, academic scholars, and industry professionals actively working in the field of nanoscience and nanotechnology. By partnering with us, you will benefit from the unique opportunity to promote your company as a Global Leader in the rapidly expanding market of nanomaterials and their synthesis and characterization tools. Make an impression and stay connected with the key attendees from Europe, Asia, and the USA at the International Conference on "Nanomaterials: Applications & Properties". Choose from a range of impactful and cost-effective sponsorship opportunities to increase your presence and visibility.

## MARKETING & SPONSORSHIP OPPORTUNITIES @ IEEE NAP-2022

The sponsorship resources help to fund the IEEE NAP Conference's "East Meets West" travel grant program, designed to ease the participation of Ph.D. students and other underrepresented categories of attendees. Thus, besides promoting your company, products, and tools internationally, you will also be helping a noble cause of supporting the next generation of scientists and engineers!

The Conference is officially endorsed and supported by the Ministry of Science & Higher Education (Poland), IEEE Magnetics Society, and the International Union for Pure & Applied Physics. There are many advertisement options available, but they're going fast. Reserve yours today!
